Tourmie

Practice Category/(ies)	Sustainable business management
Author of the Practice	Tourmie
Country/EU/Worldwide	Greece
Short Description	Tourmie is an online concierge application which helps accommodation providers offer personalized services to their guests.
Long Description	<p>In order to improve visitor experience, Tourmie is constantly developing its network of partners from trusted service providers throughout Greece, so that every visitor can learn more about the place they are visiting, through various authentic local experiences. Instantly after booking a stay, Tourmie becomes the guest's personal digital assistant, offering a personalised page with personalised suggestions. From that point, the guest can book services provided by the hotel in-house or outsourced (e.g car rental, taxi, activities and breakfast), check useful information about his / her stay (e.g check-in, arrival instructions and WiFi code) and finally, to solve any issues via live chat with the front desk or the host.</p> <p>The practice contributes to sustainability by accelerating the digitalisation of the accommodation offer. Tourmie is a simple but yet powerful tool, which facilitates the collaboration between accommodation and service providers. Using Tourmie, accommodation providers have the opportunity to increase their income from travel service sales, while service providers can promote their services to new sales channels. The service helps accommodation providers manage visitor inquiries for travel services efficiently and with ease as well as payments and partnerships through detailed reports. Last but not least, both service and accommodation providers receive their agreed payments electronically and with</p>
